

Welsh Hills School Infant Supply List 2020-2021

Room Supplies (*do not label*)

5 boxes facial tissues
2 containers Clorox wipes
1 bottle liquid dish soap
1 pump bottle of unscented hand sanitizer (containing at least 60% alcohol and NO METHANOL)
2 board books

Personal Supplies (*please label**)

Extra clothes (seasonally appropriate) We will supply a storage box.

Pacifiers (1-2 extra to store)

Diapers

Wipes

Diaper Ointment (*with completed medical form)

Sunscreen (*with completed medical form)

1 blanket and lovey for naptime; we will supply crib/cot sheets. All bedding will be sent home with you each week for laundering. You may want to bring a *spare tote bag* only for bedding that we can keep during the week and reuse on Friday for sending bedding back home.

1 lunch box with ice packs to keep lunch chilled. **Please make sure all lunch bags and food containers are labeled with your child's name!** There is a classroom microwave to warm food, and there is a crockpot with warm water to heat bottles.

Bottle fed infants need to bring **labeled** breast milk or formula, as well as **labeled** bottles and nipples, which we will send home daily for cleaning/sterilizing. Older infants need to bring personal sippy cups and silverware that will be sent home daily for cleaning.

*Please! **Use a permanent marker or labels on ALL of your child's belongings!** There are nifty labels for purchase online that you can mark with permanent marker that stay on (bottles especially) through multiple washes but are removable when you want them to be removed.
