

WHS Upper Elementary Supply List 2020-2021

First Day of School: Send all these items labeled with your child's name.

Backpack

- Large enough to hold binders and lunchbox; easy to manage and carry
- No wheels

Pocket folders

- 1 folder of your choice (Home folder)

Notebooks

- 4 composition books of any color (regular lines) (LA, SS, SC, SP)
- 1 binder (3-ring, **3-inch**, any color) (All subjects)
- 1 pack of 8 binder dividers
- 1 notebook (spiral or composition) with grid paper, 4 squares per inch (Math)

Tool Kits

Each student will need to have their own set of supplies for working at school. This set of supplies must be contained in a shoebox size plastic box, which may be decorated by the student, and which must be labeled with the student's name.

- 1 plastic box with lid (shoebox size)
- 1 big pink eraser
- 2 glue sticks
- 1 package #2 pencils (no mechanical pencils)
- 1 handheld pencil sharpener
- 1 package Crayola markers, fine line
- 1 package Crayola colored pencils
- 1 black Sharpie marker, fine tip
- 2 highlighter markers, different colors
- 1 package dry erase markers, dark colors (no low-odor please)
- 1 pair of student scissors
- 1 ruler (12 inch with metric markings)

Lunchbox

- Water bottle (reusable) No plastic, disposable water bottles permitted at WHS
- 2 cloth napkins everyday (one for placemat)
- Include a cold pack as needed, as we do not have refrigeration space for lunches
- Microwaves, utensils and dishware will not be available for student use
- Lunches must be completely self-contained with all necessary items included
- Students may pack an item for morning snack and one for afternoon snack
- Food items must be NUT FREE, including nothing processed with shared equipment
- No candy or soda will be permitted

WHS Upper Elementary Supply List 2020-2021

See Reverse

- 2 containers of antibacterial wipes
- 1 package of lined index cards
- 1 ream of copy paper
- 1 roll of Scotch tape
- 1 package of Ziploc snack bags
- 1 package of Ziploc gallon bags

***Additional supplies may be required during the school year.**

In addition, please see information about *other supplies (such as face coverings)* required for all students this school year by reading the following separate list:

WHS Dragons (CH-HS) School Supply List 2020-2021

Welcome back, friends! This year there are a few things that all of our students in Children's House, Lower Elementary, Upper Elementary, Middle School, and High School will need to help us safely be together again. Below you will find information about the special items needed this school year. Please make sure your family is prepared before the first day of class with all the supplies students will need to start the school year at WHS!

Face Coverings (Masks)

Wearing a face covering is one of the most effective ways we currently have to help stop the spread of the COVID-19 virus. Therefore, ***all students in Children's House and older will be required to wear cloth face coverings while at school at WHS.*** Masks will be worn at all times with the exception of while eating or drinking. CH students will not wear masks during naptime. See details about masks below:

- Face coverings must completely cover the student's nose and mouth.
- Cloth face coverings of at least two layers are most effective.
- Your child's masks must all be clearly, permanently labeled with their name.
- Students must arrive at school wearing their masks and have at least one additional mask with them everyday. (A minimum of two clean masks each day)
- Dirty masks (reusable and disposable) will be placed in a Ziploc bag and sent home everyday.
- Reusable masks must be laundered at home after each wearing.

Here are some helpful tips about masks for your child:

Before school starts, practice having your child wear a mask at home while doing normal tasks to get acclimated to wearing it all day. Try different types and sizes of cloth face coverings to see what fits best and is most comfortable. Make sure your child's nose and mouth remain covered even when speaking and that your child does not need to be constantly touching the mask to adjust it so that it stays in place. Masks can be fun fashion accessories! There are masks made of all kinds of colorful fabrics that feature popular characters, sports team logos, and even bling!

WHS Upper Elementary Supply List 2020-2021

Clear Plastic Storage Tub (23'L x 16 $\frac{1}{4}$ " W x 12 $\frac{3}{8}$ " H) (56 Qt./53 L)

In an effort to help maintain physical distancing and to lessen the sharing of materials, we are asking each student to have a clear plastic storage tub for storing their things at school. Tubs this size (see dimensions above) are large enough so that they have enough room for storing backpacks, jackets, school supplies, lunch boxes, etc. This eliminates the need for students to congregate near cubbies or hooks to access their belongings, and it separates each student's personal items from those of others. The dimensions of the tub do not need to be exactly those of the dimensions listed above, but tubs should be something close to that size.

Hand Sanitizer

To help maintain good hand hygiene, besides encouraging frequent and thorough handwashing, we will be providing hand sanitizer in each classroom and throughout the building. Please send the following with your child's supplies:

- 1 pump bottle of unscented hand sanitizer (containing at least 60% alcohol and NO METHANOL)

Rainboots

One of the safety precautions we are taking at WHS this year is utilizing our outdoor spaces as much as possible. We plan to have students and teachers outside everyday whenever it is possible. Rather than requiring students to have indoor shoes, we are asking instead that ***all students have a pair of rainboots at school everyday***. This will help keep feet dry even when the grass is wet, as it often is in the morning.
